Custom Cable Request Form

EXTRON USE ONLY — Part Number: **Description:** **Price:**

INSTRUCTIONS

1. Follow the instructions on Sections A-F.
2. Fill out all sections COMPLETELY (call Extron at **800.633.9876** (US/Canada) or call **714.491.1500** with any questions). Incomplete forms will be returned and can delay quotation.
3. Fax to 714.491.1517 Attn: Custom Cable Dept.

NOTE: Once created, Extron will contact you with the price and part number of your cable. An Extron representative will provide a ship date once your order is placed.

Important Notice:

- Purchase Orders for custom cables cannot be cancelled
- All sales are final
- Custom products may not be returned to Extron

Customer signature _____ Date_____

I acknowledge and agree to these terms for my custom cables order
